Full Professor / Associate Professor / Senior Lecturer / Academic Associate in Hospitality Management

Multiple positions available!

Further information: <https://iuc-bv.at/>

The International Private University College Bad Vöslau (in foundation) is planning to submit an application for initial institutional accreditation by AQ Austria.

We are seeking to fill the following positions for the planned International Hospitality Management Bachelor's degree programme:

- **Full Professor** in International Hospitality Management
- **Associate Professor** in International Hospitality Management

- **Senior Lecturer** in International Hospitality Management
- **Academic Associate** in International Hospitality Management

All positions are available either as part-time (20 hours/week) or full-time (40 hours/week) positions.

Employment is subject to successful institutional accreditation by AQ Austria and completion of a formal appointment procedure (Berufungsverfahren).

The planned start is October 2027.

Employment may commence as early as July/August 2027 to support programme development activities.

Your tasks as a professor:

- Establishment and preparation of the first implementation of the study programme
- Independent realisation of courses and research projects
- Organisation of teaching and research within the degree programme
- Participation in the quality management steering group and responsibility for the implementation of quality assurance measures in teaching and research
- Supervision of scientific theses
- Collaboration and committee work in the development and expansion of the private university college Bad Vöslau
- Communication and networking with the scientific community, the field of practice and the public

Other tasks for academic associates / Senior lecturers!

Your qualifications:

- Completed relevant university degree (doctorate or comparable)
- Habilitation or equivalent qualification in the respective subject area
- Several years of professional experience and/or teaching experience in the field of Hospitality Management
- Excellent written and spoken English – Level C1 (company language)
- Very good written and spoken German skills desirable
- Experience in the field of communication sciences desirable
- Didactic aptitude and teaching experience in higher education, in particular using current and innovative higher education didactic concepts
- Personal involvement in the relevant national and international scientific community desirable
- Proof of publications or other scientific contributions

Other qualifications for academic associates / Senior lecturers!

Application:

For Further information and details about an application, please visit <https://iuc-bv.at/>

Please send your academic CV incl. list of publications and a cover letter via email to office@iuc-bv.at

The **minimum** gross salary (full-time, 40 hours/week) for the following positions is as follows. Salary levels apply from 2027. Part-time salaries will be calculated on a pro-rata basis.

(Overpayment depending on qualifications and experience is possible.)

- **Full Professor** from EUR 6,000.00 gross per month
- **Associate Professor** from EUR 5,000.00 gross per month
- **Senior Lecturer** from EUR 4,000.00 gross per month
- **Academic Associate** from EUR 3,800.00 gross per month
- *Minimum gross salaries, final salary to be adjusted according to qualifications and experience.*

We are committed to equal opportunities and encourage applications from all qualified candidates regardless of gender, age, ethnic origin, disability, religion or sexual orientation.
